RE: Amendment to Interconnection Agreement Between Southwestern Bell Telephone, L.P., and TMP Corporation

Dear Ms. Dale:

Enclosed please find an Amendment to Interconnection Agreement By and Between Southwestern Bell Telephone, L.P. d/b/a SBC Missouri and TMP Corporation, executed by both parties, which is being submitted pursuant to 4 CSR 240-3.513(6)(A). TMP is a Commercial Mobile Radio Service (CMRS) provider in Missouri. Southwestern Bell Telephone, L.P. is an Incumbent Local Exchange Carrier (ILEC) now doing business in Missouri as AT&T Missouri, as recognized by the Commission in Case No. IN-2006-0232. This. This Amendment, entitled "Missouri Intercarrier Compensation for ISP-Bound Traffic and Federal Telecommunications Act Section 251(b)(5) Traffic (Adopting FCC's Interim ISP Terminating Compensation Plan)", modifies intercarrier compensation between the parties for certain traffic, and has previously been approved by the Commission in its *Order Approving Amendments to Interconnection Agreement* issued April 26, 2005, in Case No. TK-2005-0309, tracking No. VT-2005-0074. There are some differences in that language of paragraph 4.5 of the two amendments, but the amendments are substantively the same. The original agreement between these parties was approved in Case No. TK-2002-1095.

Thank you for your assistance in processing this filing. Copies are being served electronically on the General Counsel's office, the Office of the Public Counsel, and counsel for AT&T Missouri. Please contact me at 634-8109 or by email at myoung0654@aol.com if there are any questions.

Sincerely,
/s/ Mary Ann Young
